

**S-72.3240 Wireless Personal, Local,  
Metropolitan and Wire Area Networks**  
**- Exercises 2006 -**

- Exercises are voluntary, but useful
- Course grade = exam grade + 0.2\*exercise grade
- 3 exercise rounds

- WLAN
- Security
- WIMAX

Exercise grade	Percentage of maximum points (%)
0	Less than 15
1	15 – 24 %
2	25 - 39 %
3	40 - 54 %
4	55 - 69 %
5	At least 70 %

- Assignments are published on the course website at least 1 week before the tutorial
- In the tutorial a model solution to the exercise is presented and key issues on the topic are discussed
- Answers must be returned to the exercise or at least 1 hour before the exercise to the return box on the 2nd floor (Communications Laboratory, E-Wing)
- Answers can be written manually or with a computer
- **NO DIRECT COPYING FROM A FRIEND OR INTERNET IS ALLOWED!**
